

Ways to Get Involved

There are many ways to get your church, ministry, school or group involved in the 40 Days for Life Baton Rouge campaign, but here are a few specific ways. Sign up for [email updates](#) online to stay informed about the campaign and other activities that will help you make a maximum impact in your community. Visit our [Facebook page](#): 40 Days for Life Baton Rouge to see pictures of the different churches, schools, and groups and read stories from prior campaigns. Share the links with your friends.

➤ **Prayer and Fasting to End Abortion:** Prayer and fasting to end abortion is the foundation of this campaign. We encourage groups and individuals to join in daily prayer to end abortion. We also ask individuals and congregations to discern how they can appropriately fast during the 40 days. Fasting is a sacrifice that helps us reach beyond our own limitations with God's help by offering up something in your life for an end to abortion (i.e., food, T.V., etc.). Here are some ways your group can be involved in this aspect:

- **Regular Prayer:** At every church service, school day, or group meeting, say the "Prayer to End Abortion" that is on our 40 Days for Life Baton Rouge prayer cards.
- **Encourage Individual and Family Prayer:** Arrange with the campaign team to get 40 Days for Life Baton Rouge Prayer Cards and distribute them to the congregation to foster daily prayer to end abortion. The prayer cards will be used at the vigil site, but you are encouraged to purchase a large number of these cards to distribute to your church, school, or group. *Price ratio is \$40 for 1,000 cards.*
- **Night Prayer:** Since our campaign will not hold its vigil round-the-clock, we hope churches will hold prayer vigils at night, even all night, for an end to abortion.

➤ **Peaceful and Prayerful Vigil-** The most visible component of 40 Days for Life is the 40-day, 12 hour-a-day peaceful and prayerful vigil at the Delta Clinic abortion facility in Baton Rouge. People in your church, ministry, school or group who sign up for a vigil hour and pray for the first time at the abortion facility may truly experience an awakening in their hearts to the reality of abortion, and be encouraged to become active pro-lifers. *****We encourage you to print and copy the PDF resources provided to assist in conducting sign-ups after a gathering in your community. Please note that every person who signs up for a vigil hour MUST agree to the Statement of Peace/Waiver of Liability (found with PDF resources).** Take one of the following methods to build up the vigil that will go from **7 AM - 7 PM daily:**

- **Adopt-a-Day-** Through working with the campaign team, choose a date within the 40 days that your group would "adopt," meaning your group would be responsible to have 2-3 people present all day (i.e. all 12 hours).
- **Adopt-an-Hour-** Through working with the campaign team, "adopt" an hour within the 12 hours that your group would be responsible for across the board, meaning that if you chose 3 PM, your group would be responsible for having 2-3 people at the vigil every day at 3 PM. People could repeat their hours each week.
