*About Advertise for Life*

Advertise for Life, a project of Louisiana Right to Life, reaches women in crisis pregnancies through targeted online advertising that connects them with one of the state's pregnancy resource centers. In 2016, the project generated 1,650 pregnancy help phone calls to the crisis pregnancy hotline.

Studies show that 95% of women who enter a pregnancy center choose life, but even with more than 30 pregnancy centers across Louisiana, 26 women a day still choose abortion. Advertise for Life was developed to reach these abortion-minded women and connect them with local resources that can help.

**100% of the proceeds from Bowties for Babies Goes to Advertise for Life!**
