

LSL Student Officer Board

The Student Officer Board is responsible for the day to day activities of LSL. Officers hold their office for one year, from May to May.

Student Officers will be trained throughout their year, including trips to Washington D.C. to participate in Leadership Institute Training and Students for Life of America training. Between May and August, the Student Officer Board will meet for retreat to receive additional training and to create goals for the coming school year. The Student Officer Board will have assistance of other experienced pro-lifers in Louisiana and in the country.

The Student Officers Board will meet and communicate as often as necessary to accomplish their goals, but should meet either in person or through other means of communication at least once a month. All meetings are called by the President.

LSL understands the busy life of college students and is flexible, but does require that officers spend their time to further the pro-life movement in Louisiana. And your time will be well worth it- you will gain great experience, immerse yourself in the greater movement, and help save lives. Our future depends on you!

President

The President shall oversee and work with all other officers and push the organization ahead to meet its goals. The President meets regularly with the Board of Directors and/or their designated representative to discuss progress and needs. The President shall be empowered to assign new tasks to the other officers. The President with the Vice President and Treasurer shall increase the donor base through direct mail and direct solicitation. The President shall be the public face of the organization.

Development Director

The Development Director shall maintain financial records, help develop fundraising plans, and help implement those same plans. He/She is also responsible for crafting Direct Mail and sending thank you letters. The Development Director will receive training in Direct Mail. The Development Director also processes any reimbursements for the organization.

Outreach Director

The Outreach Director shall be responsible for maintaining communications with existing pro-life clubs, expanding the network by making contact with pre-existing clubs and helping grow new clubs.

Program Director

The Program Director is responsible for planning any events or programs that the Student Officer Board decides to hold. This could include the Louisiana Students for Life conference and any other training or pro-life events.
