Celebrate Pro-Life Healthcare Providers

SPEAKERS

**ROBERT CHASUK,
M.D., FAAFP, CFCMC:**

Dr. Chasuk is a dedicated physician, educator, father and husband who incorporates pro-life principles in the practice of medicine. He is a family medicine physician and Associate Director of Graduate Medical Education and the Family Medicine Residency Program Chief at the Baton Rouge General Hospital. He is also affiliated with Woman's New Life Center, a pregnancy center located next door to Delta abortion facility.

**KAREN STOEHR,
PRO-LIFE MOM, JAZZ VOCALIST:**

Karen will share her experience with the challenging prenatal diagnosis of her youngest child and her courageous response when she was urged to have an abortion. Her story underscores the critical importance of supporting pro-life healthcare providers and building a culture of life. Karen resides in New Orleans with her husband. They are the parents of seven children.
