## ***LA Right to Life Releases Newspaper Ads Reminding Senator Landrieu: Abortion is NOT Health Care Louisiana Right to Life Urges Senator Landrieu to oppose "cloture" on H.R. 3590.***

Baton Rouge, LA -- In conjunction with Louisiana Family Forum Action and the Acadiana Right to Life Committee, Louisiana Right to Life has published half-page ads in three prominent Louisiana newspapers. The ads call attention to Senator Mary Landrieu's recent vote in favor of abortion funding and urge Senator Landrieu to oppose the vote on "cloture" on H.R. 3590.

The half-page ad will run in The Advocate on Thursday and the Times Picayune and Lafayette's The Advertiser on Friday. Benjamin Clapper, Executive Director of the Louisiana Right to Life Federation, made the following comment after the releasing the ads:

"Senator Landrieu has asserted in the defense of her vote against the Nelson Amendment that pro-lifers manufactured the issue of abortion in order to "scuttle" health care reform. However, this ad reminds Senator Landrieu, and Louisiana, that we believe abortion is not health care, and without the Nelson Amendment, the Senate health care bill will authorize government funding of abortion."

"We hope Senator Landrieu stands for Louisiana values by opposing "cloture" on H.R. 3590," Clapper concluded.
